## CENTRAMIN *Compare to Centrum Multivitamins* **Multivitamins/Multiminerals With Lycopene and Lutein**

**FORM: 100, 60, and 30 tablets**

**Nutrition supplements  
are more important  
today than they have  
ever been!**

### **Benefits**

- Centramin is a balanced and complete multivitamin specially formulated to do more for you. Just another reason to take Centramin every day.
- Advanced performance multivitamin dietary supplement for adults.
- Good nutrition helps to protect us from the environment and aging.

Vitamin D and calcium are essential for healthy bones. The balanced formula of Centramin provides Vitamin D to help your body absorb calcium better. Vitamin C, when combined with Vitamin E, helps optimize antioxidant power and can help promote immune health. The combination of folic acid, B6, and B12, which can be found in a Centramin multivitamin, may help maintain a healthy heart. If you're not getting this from your daily multivitamin,

your body may not be getting the balance of nutrients it needs - the balance you'll find in Centramin.

# Lurik's *Nutri-Line*

## **CENTRAMIN *MATURE*** *Compare to Centrum Silver* **Multivitamins/Multiminerals** **Iron Free For Mature Adults** **With Lycopene and Lutein**

**FORM: 100, 60, and 30 tablets**

**As an older adult, you're seeking ways to maintain a healthy and active lifestyle. Centramin Mature can help you!**

### **Benefits**

- Folic acid, vitamins B6 and B12, nutrients which may help maintain a healthy heart
- Higher levels of B vitamins - because certain B vitamins may be more difficult to absorb as we age.
- Higher levels of calcium to help strengthen and maintain healthy bones.
- Higher levels of vitamin E to help protect against cell damage that naturally occurs as we age.
- Calcium and folic acid to help maintain blood pressure that is already in the normal range.
- Higher levels of vitamin B6 to help your body convert food into energy.
- No iron because individuals 50+ require less iron and generally meet their needs through diet alone.

One table a day of Centramin Mature will help you remain healthy and active. Centramin Mature is the most complete multivitamin for people over 50—a multivitamin carefully balanced and age-adjusted to help meet your changing needs.

**CENTRAMIN *SPORT*** *Compare to  
Centrum Performance*

**Multivitamins/Multiminerals**

**For Sports Oriented Adults and Young  
Athletes (over 14 years)**

**FORM: 100, 60, and 30 tablets**

**Centramin Sport is a balanced and complete multivitamin that helps energize your body and mind. *Unlock energy for your mind and body!***

## **Benefits**

- Centramin Sport contains vitamins, minerals and herbs. It has a combination of Ginseng, Ginkgo Biloba and B-Vitamins that help support energy levels.
- Centramin Sport is a comprehensive formula of vitamins and minerals with two natural herbs: *Ginseng and Ginkgo Biloba* which helps your body cope with physical stress.

- It is cleverly balanced by our nutritionist with higher levels of antioxidants and five essential B vitamins (*Thiamin (B1), Riboflavin (B2), Niacin, Vitamin B6, and Vitamin B12*) to help protect against free radical damage and unlock energy.
- Centramin Sport helps sustain vitality and may help maintain concentration and short term memory and it is free from gluten, wheat yeast and artificial sweeteners

**Centramin Sport** a complete daily multivitamin with minerals food supplement for adults. It is also suitable for sports-oriented young athletes over 14 years old.

## SAFARI *Compare to Flintstones* Children's Multivitamins

**ANIMAL SHAPED  
FORM: 100, 60, and 30 Chewable tablets**

### Benefits

- Essential for healthy growth and development.
- Essential for developing immune and hormonal systems.
- Essential for bone, teeth and hair development.

Nutri-Line offers a chewable multi vitamin product that is unique in that it has a high rate of compliance when it comes to children wanting to take the product! It is very important that the nutrients that are found in Nutri-Line's children's chewable be a part of your young family's daily nutritional intake because it sets the stage for a long and healthy life.

Nutri-Line's animal shaped children's chewable vitamin tablets have been formulated for youngsters that are two years of age and older. These great tasting chewable multivitamin tablets make nutrition fun! They are loaded with the essential nutrients that help to sustain their growth and development in the early years, which have been found

to be lacking in so many young children's diets these days. Our chewable is rich in antioxidant factors, beta carotene (pro-vitamin A) and Vitamin A. They are available in 4 delicious flavors that children will ask you for again and again.

Give your children a great nutritional 'smart start' with Nutri-Line's daily multi-vitamin and mineral supplements everyday!
